To the Parents/Guardians of: _____

Your child's school is very fortunate to have the benefit of a volunteer reading program called ONE TO ONE – A Children's Literacy Program. ONE TO ONE volunteer tutors work with students on an individual basis to increase their reading confidence and to practice their reading skills. The one-to-one tutor sessions take place within the regular school day.

This letter is to inform you that your child has been identified as a student who would benefit from reading with a volunteer tutor and will be participating in the ONE TO ONE program this year. Please sign the program permission portion of this letter below and return it to school.

Yours Truly,

ONE TO ONE School Coordinator
